Date: 08.06.2011

**NOTICE**

(As per Notification No S.O. 1533 dated 14.09.2006 and amendment No. S.O. 3067 (E) dated 1.12.2009 of the Ministry of Environment & Forests, Government of India)

The Harbour Engineering Department has proposed to construct Braekwater at Veli in Akulam Side, Thiruvananthapuram District. They have requested the Ministry of Environment and Forests for environmental clearance for the project. An environmental public hearing is to be conducted as per the provisions of the notification. The summary of details of the proposed project and public consultation are as follows.

|                                                            |                                                                                                                                                                  |
